Our firm supports Japanese trading companies and large financial, industrial, and technology groups in their legal needs. We have accumulated extensive experience in transactions in the most diverse economic segments in the region. Some of our services are:

- | Incorporation of local subsidiaries
- | Negotiation of partnership contracts
- | Credit agreements
- | Structuring and financing infrastructure projects
- | M&A transactions
- | Drafting and analysis of complex contracts
- | Labor and tax advisory services

Highlights of our practice

Our team has deep technical and solid knowledge of Japanese culture and is a key piece to make viable business deals that involve complex legal analysis, guided by different legislation. The focus is to help our clients achieve their strategic objectives: to invest or acquire Brazilian assets, and conversely, establish partnerships with Japanese companies.
